The '67 mustang

MEMORIA IN AETERNA

Life, like a wave conceived in the depths of the unknown, gathers strength as it rushes toward the shore, gradually becoming higher and higher until, with a tremendous display of power and beauty, it climaxes with a savage crash. Then, its energy drained, its task fulfilled, life quietly plants a kiss on the shore and slips away.

Well, here it is - the '67 MUSTANG. It's meant a lot of hard work and long hours for the staff. It's caused headaches, frazzled nerves, and short tempers, especially around deadline time. But, when we're honest, we'll admit it's usually been fun. So read it, look at it, admire it, and remember it always as the last edition of the Morven MUSTANG.

Dedication

For years
our Morven
High School
has stood as a
symbol of academic
excellence for our com-
munity. Within these walls
the flaming torch of education has
kindled the fires of knowledge in the
minds of hundreds of students. The ded-
icated co-operation between the faculty and the
students has created the congenial atmosphere which
has prevailed throughout the existence of this
educational monument. Though the buildings
may crumble, its memory will endure
within our hearts forever. We,
the last class of Morven High
School, do hereby dedicate
this, the final edition of
the Mustang, to Mor-
ven High School
with our sin-
cere love and
admiration.

We're doing something all the time. We're all working to get in the Number Ten Club, which we can do by reading ten books. Playing Scrabble, Hearts, Whirly Derby, and other games makes even our rainy days fun. Our Indian project taught us much that we did not know. Even modern math is fun for us. We will miss Mrs. Mauney next year when we're in the fourth grade.

Our class especially enjoyed the study of Colonial America. Let's not forget our travels in the United States, Canada, and Latin America. Science experiments are fun, too. Just imagine our doing the "Minuet!" Kickball, baseball, dodgeball, and basketball are our favorite sports.

S.E.R. - Ha only one wearing a short dress!

Junior-Senior

On this memorable evening an ecstatic senior class left its world of reality and crossed a flowery bridge of imagination into a ....

Garden of Enchantment

....filled to overflowing with fragrant flora set against a green and gold background. The fresh and exhilarating atmosphere was enhanced by the melodious strains of the Rogues. With a silvery full moon peeking at us over an ivy-draped wall, our blissful souls enjoyed four wonderful hours of dancing, savoring delicious refreshments and just being alive. Always will we be thankful to the juniors for this happy jaunt into a nocturnal garden of pleasure.
